Mr. Willy Heinberg  
El Park Avenue  
New York 16, New York.

Dear Willy,

Army Pictorial Service has concluded a search of their shelves for footage on the pillage of Saint-Dié and they are distressed to report that they have none. I am assured that the search was a scrupulous one, having been made both by date and area, as well as by name. The Army suggests, however, that you might wish to query the separate newsreels. To make your search an easier one, I am attaching a list of those organizations.

Sincerely,

J.C.S.
